Devendra Prasad

New Delhi, India. +91 - 958 279 7772. devendraprasad1984@gmail.com
React . JavaScript . Html5/CSS . dpresume.com

Current Experience @ BHN (Blackhawk Networks), from Oct`22 to present

As Senior Staff Frontend

- I have successfully dealt with many enterprise apps while working in small/big organizations
- I practice TDD based frontend development mainly AEM, React, HTML, CSS, JS, JWT
- I practice CI/CD and github action workflows to code scans and deployments
- I know client-server + MonoRepo + REST + Monolithic + Microservice + Micro frontend architectures
- I contribute to engineering metrics, working groups, architecture design and leadership discussions
- I maintain code quality using sonarqube, git hooks, Snyk scans and constant review cycle
- I know JWT auth tokens (refresh + access), XSS, CSRF, cookies, CORS
- I act as a bridge between junior and senior members in the team
- I use jfrog/nexus repo / artifactory to manage code artifacts
- I Code. Collaborate. Build. Change. Incident. Release. Triage
- I help in recruiting, growing and enabling a team
- I am a code reviewer, mentor, and face to dev team
- I use JIRA | Rally | Leankit | Trello for agility, bug tracking and backlog grooming

As Senior Staff Frontend @ Blackhawk Network (BHN) — Oct2022 – present

https://giftcards.com

Built on Adobe Experience Manager (AEM) as backbone for the site, this project transforms legacy webapp into more controllable and better UI/UX. The legacy site is on WordPress and has scalability/multi tenancy concerns. Using AEM, the framework itself gives multi-tenant and multi-lingual support for site management. We are using core html/JavaScript and React18 for frontend development. We use storybooks as a tool to test our components.

As Lead UI Developer @ Thoughtworks via Geektrust — Sep`2021 - Aug`2022

Kroger Customers Tech - Checkout – Flash Sales and Analytics, Jan2022
FAB (First Abu Dhabi Bank, Colleague Experience Portal), Oct2021 – Jan2022
